VOL. 4.

TELEGRAPHIC.

LOST IN THE STORM.

St. Paul, Minn., Feb. 18.—The Pioneer Press learns from Morris, Minnesota, that the wife of S. Gustafson started to the barn to milk the cows in the storm of Monday night and wandered a mile and a half away, where her body was found yesterday. Her husband was absent.

MURDERED.

Lexington, Ky., Feb. 18.—E. H. Taylor an aged colored man, was found dead yesterday morning near the railroad switch that enters the spoke factory in this city, with two wounds in the head, supposed to have been done with some blunt instrument. He is said to have saved considerable money and it is thought that robbery was the cause of the murder.

FOOTPADS IN TOPEKA.

Kansas City Feb. 18.—A Times-Topika special says that Gus Rhodelhamer was assaulted by two highwaymen on his way home early yesterday morning and robbed of \$100 and frightfully beaten. Although his injuries are pronounced dangerous Rhodelhamer refused to break his wedding engagement, the ceremony being fixed for to-day and he was married.

REJOICING.

Ulysses, Feb. 18.—Official news reached here yesterday that the supreme court had refused to grant an injunction restraining the governor from designating Ulysses as the county seat of Grant county. The news was received with great enthusiasm, and was the occasion of much rejoicing. The decision of the supreme court definitely settles the matter in favor of Ulysses.

WANIS AID.

Tangier, Feb. 18.—It is reported that the American consul has asked his government to immediately send a man of-war to enforce his demand for the release of Moon, imprisoned at Rabat. Other parties declare that Moon has no right to the protection of the consul, on the ground that a civil suit was pending against him when the consul issued his protection patent.

A QUEER CHARGE.

Omaha, Feb. 18.—Omaha's local sporting man, named Chas. Robbins, offers to bet \$5,000 against \$2,000 that James Albert did not walk 621 miles in the recent race in Madison Square and that he cannot walk 550 miles in six days. It is understood that if the bet is accepted Robbins will undertake to prove that 621 miles was accomplished by Albert and a twin brother, who looks precisely like him, walking alternately.

CRACKSMEN CAUGHT.

Washington, Feb. 18.—Upon the arrival here yesterday morning of the New York, Philadelphia & Norfolk railroad ferry steamer three men, giving their names as Edward Best, of Philadelphia, James Parker, of Indiana, and Wm. Andrews, of Richmond, were arrested for robbing the post-office at Salisbury, Maryland, last night. Best had on his person about \$200 in cash, a tin funnel for using powder to blow open a safe and a bulldog pistol. Andrews had \$100 and a spool of thread for use as a signal cord. Parker had \$150 cash and \$500 in stamps and a bulldog pistol.

"At Socorro a bridal party came on board the train and for a time all eyes were centered upon the dark-eyed senorita and the newly fagged benedict. They stood the test of eyes centered upon them and if not entirely mistaken the groom felt just a little proud of the admiration bestowed upon the bride. Lockhart, the genial host of the Socorro Grand Central Hotel, denied any connection with the bridal party, but was on a trip to old Mexico. Mr. Lockhart disclaimed any intention of buying up the land of tortillas and chili, or of starting a first-class hotel in that country, but was enthusiastic over the prospects of the extension of the Magdalena

branch road at no distant day. In fact felt confident that the first construction work by the A. T. & S. F. this spring would be on that line.—A. W. Webster in the Citizen.

SPECIAL SESSION OF THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF SOCORRO, N. M.

February 6th, 1888.—J. M. Chavez filed a bill for commissions, amounting to \$784.20, which he claimed due him for the years 1882, 1883 and 1884 as ex-officio assessor. The same was reserved for the advice of the district attorney.
